

# BATTLE AGAINST POVERTY BY YOUTH INDIGENOUS FROM BORUCA VIA BREEDING FARMS

## Location:

Costa Rica

## Duration:

January 2006 - January 2007

## Youth coordinator:

Alancay Morales

## MDG s:

1 and 3 goals Eradicate extreme poverty and hunger

## Background:

It is important to note that it was suggested by ASJOB that due to the fact that the Tepezcuintles are animals that require a certain time to reproduce and grow, we should work on some species that will allow us to have greater mobility in terms of marketing and reproduction. This complement will be done with chickens that will ASJOB to sell their eggs and the meat to have a greater cash flow parallel to the raising of the tepezcuintles.

## Conclusion:

Currently we are working on the new breeder and the plantation of the crops for feeding the animals.

It is important to note that it was suggested by ASJOB that due to the fact that the Tepezcuintles are animals that require a certain time to reproduce and grow, we should work on some species that will allow us to have greater mobility in terms of marketing and reproduction. This complement will be done with chickens that will ASJOB to sell their eggs and the meat to have a greater cash flow parallel to the raising of the tepezcuintles.
